### Spell To Write And Read

Spell to Write and Read Resurrecting the historically successful idea of starting with phonics-based spelling, *SWR* weaves beginning through 12th grade spelling into a full language arts program. Rather than merely memorizing words, as in traditional spelling programs, students are taught how to analyze the reasons behind a word's spelling and pronunciation, giving them a strategy to learn any word they encounter.

### Spell to Write and Read - SWR Training

Spell to Write and Read is the overall teacher's manual designed to accompany the reorganized and updated spelling list in *The Wise Guide for Spelling*. It expands and clarifies the concepts previously addressed in *Teaching Reading at Home and School*. *SWR* addresses student placement in the program and the construction of the student learning log.

*Write & Reads* are a simple and effective phonics tool that students can use to practice every single phonics sound-spelling. Students will write the missing sound-spelling pattern in the blank space and will then read the word. After they've read all of the words with that sound-spelling on that.

### Spell To Write And Read Worksheets & Teaching Resources | TpT

In my opinion, *Spell to Write and Read* is the best phonics and spelling program available. It makes sense of the English language like no other program I've seen and the research behind the program is amazing. It's based off of *The Writing Road to Reading* by Romalda Spalding and the research of Dr. Samuel Orton.

### Spell to Write and Read - Janelle Knutson

I love the *Spell to Write and Read* program for teaching reading and spelling. If you aren't familiar with the program then check this video.. While supplemental resources are not needed to teach the program, they can add more interest for the student and be a great help to the teacher.
